March 16, 2020

Dear Head Start & Early Head Start Community,

The current situation with COVID-19 is continuing to evolve. Over the weekend Governor Baker announced that all public schools will be closed for 3 weeks. Head Start & Early Head Start will follow suit. Therefore, there will be no on site Head Start or Early Head Start services from March 17 - April 6, 2020. Resources and information will continue to be posted on our FaceBook Page for your reference @Facebook.com/CFCHadStartFallRiver.

While the program is closed for children and families our Head Start & Early Head Start Team will still work to provide you with services in the following ways:

- The main office at Robeson Street will remain open with a skeleton crew working various shifts from the office and from home. You may call 508-675-2151 if you need our assistance.
- Teachers, Home Visitors and Family Advocates will stay in close contact with you via telephone and BLOOMZ or REMIND. Activities will be provided so that you, as your child's most important teacher, can continue to build your child's school readiness skills at home.
- Nurses will provide important information on maintaining your family's health and wellness.
- The Kitchen Team will share nutritious recipes that you can create with your children as additional learning experiences.
- The Mental Health Team will send tips for managing your stress and creating a peaceful home environment.
- The Facilities Team will be conducting a deep clean of all centers, classrooms and offices and preparing playgrounds for your child's return.
- The Fall River Public Schools will distribute free meals Monday - Friday 11:30am-1:00pm from Henry Lord, Fonseca, Kuss and Durfee for all children in the city.

The entire Head Start & Early Head Start Team is available to assist you during this unsettling time. We will remain in close contact with you but please feel free to reach out to us as well. Take care - we look forward to seeing you very soon!

Sincerely Yours,

Pamela Wildnauer  
Director
